Subject: Lake County Judicial Center, Phase 1

Dear Selection Committee,

PPI Construction Management would like to recognize Nash, Incorporated and their work on the Lake County Judicial Center, Phase 1 project in Tavares, Florida. This project included the Tax Collector/Property Appraiser's building, Parking Garage and Central Energy Plant. Heery served as the project Architect and PPI as construction manager.

Nash's onsite project team included Dave Worrell, Senior Project Manager; Dave Worrell Jr. General Superintendent and Al Kramer as the Superintendent.

The Nash project team displayed strong teamwork, leadership and expertise second to none related to the mechanical systems. The quality of the finished project has been outstanding.

We strongly recommend that you give the highest consideration to Nash, Inc. for their performance on the Lake County Judicial Center, Phase 1. Our firm performs Construction Management at risk for these types of facilities and this team has proven their ability to deliver at the highest level possible.

Best regards,

Mark C. Starcher  
*Senior Project Manager*
